Sales - Plot - Mijas

159.000€

Mijas **Plot**

9350 m2

This magnificent non-developable plot is offered for sale, located in a truly spectacular area, surrounded by nature and enjoying impressive open views of the sea and countryside. Set in a beautiful natural enclave, this property stands out for its peace, privacy and easy access, perfectly combining a sense of disconnection with proximity to the coast, as it is only 10 minutes from the beach in La Cala de Mijas. The plot has electricity and water supply, which is a very important added value for this type of property. Its surroundings, location and views make it a very interesting opportunity for those looking to enjoy a special place in the heart of nature, with plenty of charm and a privileged landscape. An ideal property for those who value peace, natural beauty and proximity to the sea, in an area with great natural appeal and excellent connections. If you are looking for a special plot with unique views and an excellent location, this is an opportunity well worth viewing. Land, Mijas, Costa del Sol. Garden/Plot 9350 m². Setting : Country. Views : Country.
