Set in La Cala de Mijas, a coastal enclave between Marbella and Málaga, this elegant ground-floor apartment is part of a residential complex with landscaped gardens and a communal swimming pool. Its private garden extends the living space outdoors, creating an ideal setting to enjoy the Costa del Sol climate all year round. The layout centres on a bright living and dining room that flows into an open-plan kitchen, encouraging easy living and a natural connection with the garden. The sleeping area comprises three bedrooms, including the master bedroom with en-suite bathroom, and a second full bathroom. A versatile property, equally suited as a main residence, a second home or an investment: a tourist rental licence may be obtained for those wishing to generate income through holiday lets, subject to current regulations.
