Bright Corner Apartment with Sea Views, a 48 m² Terrace and Protected Valley Outlook This beautifully presented corner apartment combines contemporary comfort, high-quality finishes and an exceptional sense of space. Located less than 1 km from the beach and approximately 15 minutes from Málaga Airport, it offers an ideal balance of convenience, privacy and lifestyle. Positioned on a corner, the apartment enjoys an abundance of natural light thanks to its large floor-to-ceiling windows and open layout. The living spaces flow seamlessly onto a generous 48 m² terrace, creating an inviting indoor-outdoor living experience throughout the year. One of the property's standout features is its completely open outlook across a protected green valley. As the land in front cannot be developed, the views will remain unobstructed, providing a rare sense of space, privacy and connection with nature. From both the apartment and terrace, you can also enjoy views towards the Mediterranean Sea. The apartment offers two bedrooms and two bathrooms, finished to an exceptionally high standard. Premium materials have been used throughout, and underfloor heating runs throughout the entire property, ensuring year-round comfort. The modern kitchen is equipped with high-end Miele appliances, combining elegant design with everyday practicality. The current owner has furnished and styled the apartment with great care and attention to detail, creating a warm and sophisticated atmosphere. The property is offered fully furnished and equipped as presented, allowing the new owner to move in and immediately enjoy everything it has to offer. The quality extends beyond the apartment itself. The development is known for its outstanding construction standards and beautifully maintained communal areas. Despite being a relatively new community, the landscaped gardens are already rich in mature planting and greenery, creating a peaceful and established environment. Residents benefit from excellent facilities, including a stunning infinity pool overlooking the surrounding landscape and dedicated co-working facilities, ideal for remote working or extended stays.
