Get ready, because here you don't have to choose: you get it all. Imagine opening the door and having the sunlight greet you in the morning. As a penthouse with a prime orientation and no buildings to block your view, you'll enjoy perfect cross-ventilation and spectacular natural light all day long. Let's take a tour of what will soon be your new haven or your best investment. On the main floor, life flows through a beautiful, spacious living room that opens directly onto the first terrace. The kitchen is separate and fully equipped, ready for you to prepare anything from a quick cup of coffee to a gala dinner. On this same floor, you'll find the sleeping area: two comfortable bedrooms and an exquisitely designed bathroom that hides a secret you're going to love—a spectacular Japanese-style shower where you can relax just as you deserve. But wait, here comes the "WOW Factor." We head up to the top floor and are greeted by a second living room. A reading nook? A home theater? An extra guest room? You decide! From here, the doors open to the crown jewel: a massive sun deck spanning over 43 m<sup>2</sup>. And this is where life takes it to the next level. Imagine hosting summer dinners in your barbecue area, cooling off in your own outdoor shower, and toasting with friends while enjoying completely unobstructed panoramic views, with the blue of the Mediterranean Sea blending with the majesty of the mountains. A true luxury. And what about the technical details and the surroundings? It lacks nothing. Ideal climate control: Split-system air conditioning in every room to keep you at the perfect temperature at all times. Not to mention its solar panels and Class A energy efficiency. Resort-style living: Located in a private, peaceful complex with a communal pool, well-maintained landscaped areas, and communal parking so you can forget about circling for a spot. Prime location: Just 1 kilometer from the beach. Just the right distance to take a stroll down to the beach and sleep without the hustle and bustle of the boardwalk. Impeccable condition: Completely renovated with exquisite taste. Literally, all you have to do is bring your suitcases. **ATTENTION INVESTORS:** This isn't just an emotional purchase—it's a brilliant business opportunity.
