The fully gated complex itself is very small with only 5 elegant buildings of each 3 levels, all facing the community infinity pool, some people are living there full time, however the majority uses it for holidays only. The apartment itself is built modernly and the interior has been decorated with a touch of Africa. A lot of wooden elements were used combined with natural materials providing maximum coziness. The salon is rather spacious an offers 2 comfortable sofas as well as a Samsung Frame smart TV, which can also be seen from the kitchen. The covered terrace embraces the living room both to the front and side and a little uncovered private garden lies just before. The outdoor part breathes a tropical atoshpere with a sturdy wooden dining table for receiving up to 8 guests and 2 bamboo sunbeds. Inside we find 2 bedrooms with fitted wardrobes which both look out into the garden. The master bedroom is foreseen from a super-king sized bed (1,80 m). The second bedroom has a 1,60 m bed.
