La Cala Golf

House

This exceptional 3-bedroom corner townhouse occupies the most privileged position in the entire community — a peaceful cul-de-sac offering maximum privacy, all-day sunlight, and panoramic open views of the sea, mountains, and surrounding landscape. Recently transformed through a top-quality, full refurbishment, the home blends contemporary sophistication with warm comfort, while preserving its charming Andalusian exterior character. The property enjoys a manicure garden of 133 m2 to enjoy and relax all day long.

Ground Floor — Open-Plan Luxury Living The ground level is a true showpiece: a bright, open-plan living space where the architecturally designed kitchen, expansive lounge, and integrated terrace flow seamlessly together. Large high-efficiency windows and sliding doors flood the space with natural light, while the remodeled fireplace with illuminated shelving creates an elegant focal point. The designer kitchen features: Premium German cabinetry, a striking island, Top-tier Miele appliances, including a steam oven Bora induction cooktop, Integrated 50-bottle wine cooler, ambient lighting, custom storage solutions

Upper Floor Upstairs, three beautifully finished bedrooms each enjoy private terrace access. The primary suite offers: A spacious terrace, Walk-in wardrobe, Luxury ensuite bathroom with Jacuzzi bath, underfloor heating, and premium finishes. The additional bedrooms are bright, comfortable, and share a secondary terrace — ideal for family, guests, or a stylish home office. The property excels in outdoor lifestyle with a large private garden, professionally landscaped areas, expansive terrace ideal for dining and relaxation. Seamless indoor-outdoor flow

Practical Comforts & Modern Systems This home is equipped with an extensive list of high-end features, including: Marble floors throughout, Hot/Cold air-conditioning, Underfloor heating in bathrooms, Electric shutters in bedrooms & living room, Built-in wardrobes and custom cabinetry, Video entry phone, Alarm system, Mosquito netting (kitchen & upper floor), Whole-house water filtration system, Wi-Fi controlled high-efficiency water heater, High-efficiency, safety-focused windows and sliding doors.

Utility & Additional Spaces Private garage with remote-controlled electric door Spacious utility area with Miele washer & dryer Dedicated laundry room Additional storage throughout Gym area

The house is located in a gated, low-density, exclusive community in a Quiet cul-de-sac, which ads extra tranquility. One of the best-positioned units in the entire development This townhouse stands out as one of the best finished, best located, and most upgraded homes in the community. A true turnkey property, superior in layout and materials — ideal as a primary residence, second home, or premium rental investment.
