Apartment

PROFESSIONAL MULTIMEDIA PREVIEW. We couldn't wait to start marketing this property, so we've gone ahead with the images the owner sent us. Imagine opening the windows every morning to find the infinite blue of the Mediterranean as your daily canvas. This apartment in the exclusive Las 3 Carabelas residential complex in Torrequebrada, Benalmádena, isn't just a home—it's a true painting set against the sea. Located practically on the edge of the cliff, the sense of freedom is absolute: there's nothing in front to obstruct your view—just the ocean and the horizon. If you love the outdoors, this property is a dream come true. It features more square meters of terraces than of living space. While the living area is already generous, the outdoor space truly takes center stage, ideal for creating different atmospheres: a chill-out area, an outdoor dining area, or your own private sun deck overlooking the sea. The home has 112 square meters of living space. The layout includes two spacious and bright double bedrooms, a full bathroom, and a convenient guest restroom, as well as a separate kitchen and laundry room. Best of all, it boasts 140 square meters of terraces surrounding the entire property. But that's not all—get ready to enjoy the shared amenities: a parking space, storage room, gated community, landscaped areas, and a communal pool to cool off on summer days. Key information for buyers and investors: The property is currently rented to fully solvent and reliable tenants. The lease is legally valid through 2028, generating a guaranteed monthly income of €850. This makes the apartment an ideal option for investors seeking a premium asset on the Costa del Sol with guaranteed returns from day one, or for future buyers who wish to acquire a one-of-a-kind property at today's price, allowing the mortgage to pay for itself until the time they move in. A one-of-a-kind apartment with an unbeatable location and a view that money can't buy.
