One of the greatest highlights of this property: it already benefits from an AFO (Asimilado Fuera de Ordenación), a highly valuable feature in Spain that provides additional legal security and can make financing and future resale significantly easier. The landscaped garden is a true Mediterranean oasis, featuring a variety of fruit trees, a vegetable garden and plenty of outdoor space to relax and enjoy complete privacy. A charming terrace at the front of the house is the perfect place for breakfast in the morning sun or unforgettable dinners with family and friends on warm summer evenings. Built to a high standard, the villa is spread over two floors and combines quality craftsmanship with a stylish design and a practical layout. The ground floor offers a bright and spacious living room with a fireplace and hot & cold air conditioning, two comfortable bedrooms, a modern bathroom with a large walk-in shower, and a beautifully designed fully fitted kitchen with high-quality appliances and direct access to the garden. Upstairs, you will find a private master suite featuring a generous bedroom, a stunning newly renovated en-suite bathroom and access to its own private terrace overlooking the surrounding countryside.
