Spacious Three Bedroom Townhouse with Private Garage in a Secure Gated Community | Marbella, Málaga This attractive three bedroom semi-detached townhouse offers generous living accommodation arranged across three levels, combining a practical family layout with traditional Mediterranean character in a secure and peaceful residential setting. The main living level has been designed with everyday comfort in mind, featuring a spacious living and dining area connected to the kitchen, together with a convenient guest cloakroom. Double-glazed windows provide plenty of natural light, while white lacquered interior carpentry and marble flooring create a bright, timeless finish throughout the principal living spaces. The first floor is dedicated to the sleeping accommodation and comprises three well-proportioned bedrooms and two bathrooms. Marble flooring continues throughout the bedrooms, while the bathrooms feature marble finishes and practical contemporary fittings. A particularly useful feature of the property is the lower level, which provides a private garage together with a separate storage room. This additional space makes the home especially well suited to permanent family living or extended stays on the Costa del Sol. Comfort is further enhanced by ducted air conditioning, while the gated residential setting benefits from 24-hour security, providing additional privacy and peace of mind.
