Set on one of the most desirable streets within La Cala Golf Resort, the property has undergone a comprehensive top-to-bottom renovation during 2025–2026, creating an elegant contemporary home while retaining the character and generous proportions of the original villa. With a tourist licence already in place, the property offers considerable flexibility: an outstanding permanent residence or Mediterranean second home, as well as an attractive opportunity for buyers seeking a fully prepared property for holiday-rental use. The impressive entrance hall with marble staircase sets the tone for the villa. The main living level features generous lounge and dining areas opening onto a large glass-enclosed terrace, bringing the golf course and mountain views directly into the living space. On the main/ground floor, a spacious bedroom suite opens onto a large private terrace, with the mijas mountain range as your backdrop. Upstairs are four further bedroom suites. Two enjoy private balconies with views towards the Mijas mountains and swimming pool. A third bedroom benefits from a large private terrace overlooking Hole 18, while the impressive principal suite features an exceptionally spacious private terrace, also enjoying beautiful views directly across Hole 18. Outside, the beautifully landscaped gardens surround a private swimming pool and charming thatched lapa, creating a peaceful Mediterranean setting for outdoor dining and entertaining. A private garage for two cars, utility room and generous storage complete the property. The villa is professionally maintained, with regular garden and pool care, and benefits from a monitored security system. Replacement of the air-conditioning systems is scheduled for October 2026 at the seller’s expense. The property is offered fully furnished, with the furniture and furnishings package included in the asking price, allowing the new owners to enjoy the villa from day one. La Cala Golf Resort offers three 18-hole golf courses, hotel and spa facilities, restaurants, tennis and padel, while the beaches and centre of La Cala de Mijas are approximately ten minutes away. Frontline Hole 18. Fully renovated. Tourist licence in place. Fully furnished. Turnkey and ready for its next owner.
