EXCLUSIVE ECO ESTATE WITH A NEWLY RENOVATED COUNTRY HOUSE Experience the authentic Mediterranean lifestyle on an exclusive 18,000 m² eco estate, where nature, privacy and comfort come together to create a unique property with exceptional potential for international holiday rentals and rural tourism. This outstanding rural estate features a beautifully renovated country house, finished to a high standard and ready to move into. It is the perfect choice for those seeking peace, privacy and a close connection with nature, while remaining within easy reach of the Costa del Sol's beaches, services and amenities. The house has been completely refurbished in a warm, contemporary style, offering bright and comfortable living spaces designed for modern country living. Outside, you will find a spacious barbecue and outdoor dining area, ideal for entertaining family and friends or simply enjoying the wonderful Mediterranean climate throughout the year. One of the property's most attractive features is its private greenhouse, allowing you to grow fresh vegetables, fruit, herbs and organic produce all year round. This is a highly desirable feature for international buyers and guests looking for a sustainable, healthy and self-sufficient lifestyle surrounded by nature. The generous size of the estate also provides ample space for horses, dogs, chickens, rabbits and other animals, as well as the opportunity to create organic gardens, recreational areas or even develop a boutique agritourism or wellness project. This property is particularly appealing to the international market, where demand continues to grow for unique countryside homes offering extended stays, remote working ("workation"), wellness retreats, eco-tourism and authentic Mediterranean living under the Andalusian sun. Key Features 18,000 m² Eco Estate Newly renovated country house, ready to move into. Spacious barbecue and outdoor entertaining area. Private greenhouse for year-round organic cultivation.
