This residential complex consists of seven buildings with a total of 132 apartments ranging from 1 to 4 bedrooms. Each unit includes a parking space, storage room, communal swimming pool for adults and children, and a children’s play area. The buildings are spread over three floors plus a basement and feature a modern, contemporary design that blends seamlessly with the surroundings. Located in Estepona—a privileged area known for its natural beauty and urban development potential—the complex is just minutes from Marbella and a little over 30 minutes from Algeciras and Gibraltar. Only 10 minutes from the beach, it is surrounded by all essential services: nurseries, schools, supermarkets, health centers, sports and cultural facilities, leisure areas, and more.
