155 m2

In Estepona, very close to Laguna Village and Kempinski Hotel, are these luxury developments with an exclusive design. It is a residential development with maximum privacy and security, which has private access to the beach, promenade and common areas designed for enjoyment and relaxation. A spectacular tropical garden with a Japanese air, an outdoor pool and a heated pool, in addition to a fully-equipped gym, sauna, Turkish bath area, spa, mud bath area, etc. form a residential offering designed to make relaxing part of life.

2 and 3 bedroom apartments with a sea view, ground floor apartments with a garden or penthouse apartments with a large terrace, allowing you to choose the type of home that best suits your lifestyle. Fully-equipped kitchen, marble floors, whirlpool bath, home automation, underfloor heating or HVAC are some of the exclusive qualities of these new-build homes.
