Casares Playa **Apartments**

3 **2** **112 m2**

This gated residential complex comprises 58 apartments with 2 or 3 bedrooms, distributed across 4 buildings. The homes include ground-floor apartments with private gardens and exclusive 3-bedroom penthouses with impressive terraces. Some properties offer breathtaking, panoramic views of the Mediterranean Sea.

All apartments face southwest, ensuring plenty of natural light and sunny terraces.

The complex features spacious landscaped areas ideal for family enjoyment, along with a stylishly designed communal pool.

Each apartment comes with an outdoor parking space, shaded by a pergola.

The homes are designed for maximum comfort, using top-quality materials from prestigious brands and a thoughtfully planned layout. A modern air conditioning system ensures the ideal temperature year-round, and high-level soundproofing guarantees privacy between homes and from external noise.
