Modern Sea View Apartments in Manilva — Resort-Style Living

398.000€

Manilva **Apartments**

3 **2** **122 m2**

This residential development is located in a stunning area with an exceptional setting. The two- and three-bedroom apartments are arranged across several buildings, creating a harmonious and balanced ensemble. The project features contemporary architectural design complemented by carefully planned landscaping, spacious gardens, and leisure zones, offering residents a true resort-style experience.

The apartments, penthouses, and ground-floor units are remarkably spacious, with layouts, materials, and finishes designed to meet the highest expectations. Each residence includes a large terrace — an essential extension of the living space — providing breathtaking panoramic views.

The location and surroundings are among the project's greatest assets, offering spectacular views of the Mediterranean Sea. Manilva stands out for its privileged setting, rich culture, and exceptional gastronomy — the perfect place to enjoy the sun, the sea, and a relaxed, welcoming lifestyle.
