Immerse yourself in the ultimate Oasis of El Higuero Resort in an environment that is designed for wellbeing and a healthy lifestyle yet close to all amenities, restaurants and areas of interest. In the heart of this Oasis, we find villa Palm, a work of art where everything has been thought of. The Modern Vanguardian Villa disposes of a constructed area of 446 m2 featuring four well sized bedrooms, and four bathrooms, a large living room with high ceilings and glass windows so large that you can enjoy the complete landscape view of the Palm trees and park that is found just outside the property. In the exterior area there is a large terrace and a private swimming Pool. There's also extra rooms for recreational activities. The plot size is 1179 sqm. Contact us for more information and schedule a viewing.
