Duplex with four very spacious bedrooms, one of them enabled as a dressing room and two bathrooms. It has a renovated front porch with barbecue, a renovated kitchen, as well as two terraces on the ground floor and upper floor. Very sunny and bright. Comfortable and perfect home for families with children, since the premises have space and common areas for their use and enjoyment without any danger, in addition to two swimming pools and a playground. It has solar panels for hot water, which represents a great saving on the bill, and osmosis equipment.
