Some Things In Life Are Special, A Sunny Day, The Shade Of An Oak Tree And A View You Cannot... More Info Some things in life are special, a sunny day, the shade of an oak tree and a view you cannot believe. Well here it is. A plot of 3100m2 is on the edge of an oak wood with so many trees for shade. The plot contains many oak and olive trees as well as almond. In the view photo there is an ancient whet threshing area, this is cobbled and would make a superb plato patio with views to stun all. The property itself is in need of restoration so it is an open canvass for you to create a fabulous home with fabulous views. Build 214m2 Water and Electricy next door
