The home also offers a separate laundry room, extensive storage, central heating, underfloor heating in the main bathroom and hot and cold air conditioning throughout. A Garden Designed for the Mediterranean Lifestyle The grounds are a true highlight of the property. The fully irrigated garden is home to a variety of fruit trees that produce throughout the seasons, along with over twenty vines and a fragrant herb garden that gently leads towards a charming wine pergola—the perfect setting for al fresco dining and relaxed evenings with family and friends. One of the villa's most remarkable features is its direct access from the garden to the rolling green landscapes and the Green belt of Mijas Golf, offering a level of privacy and connection to nature that is rarely available. Location & Lifestyle Mijas Golf is widely regarded as one of the most desirable residential communities on the Costa del Sol, home to two championship 18-hole golf courses, the prestigious La Zambra five-star Hyatt Hotel, and the highly respected St. Anthony's British International School.
