Two bedrooms, open sea views and a southwest-facing terrace designed to be enjoyed throughout much of the year. Located in La Gaspara, this apartment combines a practical layout with easy access to the beach, several golf courses and the centre of Estepona. The living and dining area is bright and open, connecting directly to a 32 m² terrace that makes the most of the property's orientation and views. Large sliding doors allow natural light to fill the interior spaces throughout the day. The property offers two bedrooms and two bathrooms, including a principal bedroom with en-suite bathroom. The kitchen is integrated into the living area, creating a layout that feels comfortable and functional for everyday living. Tourist rental has been approved by the community of owners, making it suitable both as a holiday home and as an income-generating investment. A private parking space and storage room are included in the sale. Residents enjoy access to a swimming pool, gym and well-maintained communal areas within a modern gated community. La Gaspara has become an increasingly popular residential area thanks to its proximity to the beach and its easy connection to the centre of Estepona, while offering a quieter setting than many developments closer to the town itself. Properties that combine sea views, outdoor space and a well-connected location continue to attract buyers looking for a home that can be enjoyed throughout the year.
