The property offers two bedrooms and two bathrooms, with a balanced distribution designed for comfortable everyday living. The garden faces east, south and west bringing pleasant morning light and all the way through until the evening. One of the property's main advantages is the 44 m² private terrace, providing ample space for outdoor dining, relaxing or enjoying the Mediterranean climate for much of the year. The apartment is presented in good condition, while also offering potential to update certain areas and adapt them to a more contemporary style over time. Some images are virtually staged. Residents enjoy a well-maintained community environment with communal areas and a children's play area, all within easy reach of beaches, restaurants, shops and Estepona's seafront promenade.
