Plot

15846 m2

A 15,846 m² rural property is offered for sale, currently used for agricultural purposes, with olive groves and cereal crops. The plot is enclosed with livestock fencing and features a practically flat terrain with a slight slope, facilitating its use and maintenance. The total area comprises two separate parcels, divided by a road. Currently, the property does not have water or electricity connections, although the installation of both services is possible, offering different development options depending on the future owner's needs. It also has good access, facilitating arrival and access to the property. This property is attractive both for agricultural use and for those seeking a rural property with good access, flat terrain, and potential for improvement and development.
