NEW PROPERTY FOR SALE: THE PHOTOS OF THE TERRACE AND THE KITCHEN, WHICH HAVE BEEN ENHANCED USING AI, ARE NOT REAL. A three-bedroom, two-bathroom flat, one of which is en suite, with a separate kitchen and a spacious living-dining room with direct access to the terrace. It offers sweeping sea views and is well-lit, making it ideal for winter stays. The property requires minor refurbishment of the kitchen and bathrooms. The complex features a communal swimming pool, gardens and car park. Its location between Casares and Estepona means it is surrounded by beaches.
