77 m2

Located in a recently renovated environment and just a step away from the beach, the new promenade and the Marina, this completely exterior home stands out for its excellent luminosity and comfortable distribution. It is distributed on the ground floor with a living room, separate kitchen, full bathroom and a pleasant private patio. Second floor with three bedrooms with excellent natural light and a second full bathroom. An ideal opportunity for both habitual residence and investment in one of the most sought-after areas of Estepona. Contact us for more information or to arrange a visit!
