Benalmadena **House**

 **7**  **5**  **399 m2**

Magnificent villa of approximately 399 m² built, situated on a generous 742 m² plot in a quiet and residential area, yet very well connected and close to all kinds of amenities. The property stands out particularly for its spaciousness and layout, as it is divided into two independent apartments, offering numerous possibilities—whether for a family needing separate spaces, those looking for a home with potential to host guests, or even a combination of personal use and rental. The main residence features four bedrooms, a kitchen, and two bathrooms, providing ample and comfortable spaces for everyday living. On the lower level of the property, there is a second apartment with three additional bedrooms and two bathrooms, creating a completely independent space with many potential uses. The exterior is one of the property’s main highlights. The plot includes a private pool, a garden, a lovely porch, and a barbecue area, creating an ideal setting to enjoy the climate, host gatherings with family and friends, or simply unwind outdoors. The home is ready to move into, with no need for major renovations, allowing you to start enjoying it from day one. Its location in a peaceful residential area offers privacy and quality of life, while the proximity to shops, restaurants, schools, services, and other conveniences makes it a practical choice both as a primary residence and as a second home. A generously sized house with extensive possibilities and an appealing outdoor space, perfect for those seeking tranquility, privacy, a pool, and space for the whole family, without sacrificing the advantage of having all necessary services close by.
