Estepona **House**

 **5**  **4**  **145 m2**

Five-bedroom semi-detached house in a gated complex in Las Lomas, in the El Padrón area, west of Estepona. The property is laid out over three levels and offers five bedrooms, three full bathrooms and a guest WC — an unusual amount of space in this price bracket. The living and dining room, with a fireplace and access to the terrace, opens onto a separate dining area with large windows overlooking the garden; the kitchen is fully fitted and has a breakfast area. All bedrooms are exterior, spread between the first floor and the top floor, with fitted wardrobes and bathrooms on every level. The complex is gated and well kept: generous tropical gardens with palm trees, lawned areas and two communal pools with sun terraces. The house also has parking and a storage room, and its south-facing orientation means sunlight throughout the day. The location is one of its strongest points: immediate access to the A-7 motorway, shops and leisure a few minutes away, and the beach a fifteen-minute walk. A property in good condition, ideal for a large family or as an investment with room to grow, in one of the quietest residential areas of Estepona.
