Villa has three levels; the entrance level has a living room with open plan kitchen, dining area, fire place and a terrace with beautiful panoramic views over Fuengirola coast line. There is also bathroom with shower and bedroom, which open up to the same terrace. Downstairs has own living area with a kitchen, two bedrooms and one bathroom with a bath. Other bedroom has its own terrace area. There is a entrance to the garden from the living area. Outdoors you find another room, which is possibility to make another bedroom or use as a storage. There is entrance from the street level to the garden, so there is a possibility to use these two levels separately in case of renting.
