This spacious 3-bedroom apartment is located right in the very center of Fuengirola, offering unbeatable proximity to all amenities. The train station, beach, shopping, and a wide selection of restaurants are all within easy walking distance, making it the perfect spot for those who want everything at their doorstep. The property is located on the top floor of the building and features two terraces facing south and east, allowing for plenty of natural light throughout the day and offering beautiful views of the surrounding mountains. While the apartment is in need of restoration, it presents an excellent opportunity for buyers to renovate and design the home to their own taste and style. Please note: The building does not currently have an elevator. However, the community has already obtained an approved license and project for installing one, though no final agreement has yet been made.
