The area combines the tranquility of being close to the sea with immediate proximity to restaurants, supermarkets, and excellent transport links. The apartment is situated on the first floor of a well-maintained, gated complex. Its south-facing orientation provides a wonderful influx of natural light and views over the communal garden and pool, which is open year-round. The property features a modern, open-plan layout where the kitchen and living room merge into a pleasant social space. It offers two bedrooms and a stylish bathroom. The apartment is sold fully furnished and equipped, ready to move into. To guarantee a comfortable indoor climate all year round, it is equipped with air conditioning, a modern ventilation system with humidity control, and high-speed Wi-Fi. Convenience is top-notch, with access to secure communal parking within the premises as well as a locked bicycle storage room.
