Located in the lower part of Torreblanca, one of the most highly valued areas of the Costa del Sol for its convenience and proximity to the sea, very close to the beach and without hills, this spectacular townhouse combines residential privacy with walking access to services, transport, leisure, and dining. Built in 2004 and renovated in 2023, the property stands out for its design, comfort, and natural light in every corner. Distributed over 4 floors, it offers a spacious, functional home ready to move into. Upon entering, you are welcomed by a beautiful porch with a driveway for parking, anticipating the interior charm while providing convenient parking. Ground floor (day area) Features a spacious and bright living room with a fireplace, a fully equipped open-plan kitchen with a central island, large windows that provide abundant natural light, and a guest toilet. From this floor, there is also access to the laundry room and the kitchen patio, where a skylight provides natural light to the basement. Basement floor Includes an additional room with built-in wardrobes and natural light, illuminated by a skylight located in the kitchen patio, with the possibility of adding an extra bathroom thanks to existing connections. First floor (resting area) Master bedroom with en-suite bathroom, private fireplace, terrace access, and built-in wardrobes. A second bedroom also with built-in wardrobes. A separate full bathroom. Top floor Features an additional room and access to a private solarium, which includes a partially covered area and another fully open area, ideal for enjoying the sun all year round, creating a chill-out space, or an outdoor dining area. The property offers 2 full bathrooms and 1 guest toilet, centralized air conditioning, an alarm system, and is part of a residential complex with a communal swimming pool and gardens, ideal for enjoying the summer.
