Penthouse El Oasis is a contemporary three-bedroom penthouse located on the New Golden Mile, in the Selwo area. Positioned within a modern residential complex, this property combines clean architectural lines with functional indoor and outdoor living spaces, designed for comfort and privacy. The interior layout follows an open-plan concept, where the living room, dining area, and kitchen integrate into a single space of approximately 35 m², allowing natural light to flow throughout. The kitchen is open and connected to the main living area, creating a practical setting for everyday living and entertaining. The primary suite features an en-suite bathroom and direct access to the main terrace, establishing a private connection with the outdoor areas. Two additional bedrooms share a separate bathroom, offering flexibility for family or guests. The main terrace, measuring around 31 m², extends the living space outdoors and is directly accessible from the interior living area. A spiral staircase leads to the private solarium of nearly 70 m², where open sea views create a calm setting for outdoor use throughout the year. The property is sold unfurnished, allowing a new owner to define the interior design according to personal preferences. Residents benefit from a range of on-site facilities, including indoor and outdoor swimming pools, a gym, sauna, Turkish bath and a dedicated co-working and social area. These shared amenities complement the private features of the penthouse, offering additional spaces for relaxation and wellness.
