Mijas

Plot

200 m2

Building plot of 200m² in Las Lagunas de Mijas, in a commercial area and very close to all amenities, shops, and schools. Easy access to the A7 motorway in both directions, as well as public transport. Possibility of building a ground floor plus two more floors and a penthouse with a setback. This is an excellent investment opportunity in the heart of the commercial area (behind El Corte Inglés department store). The plot consists of three registered plots, possibility of purchasing separately.
