Wake up in Benalmádena, in one of the most sought-after areas of the Málaga coastline, and let the sea be the first thing you see when you open the curtains. This two-bedroom, one-bathroom apartment has been designed for living without giving anything up: a bright, spacious living room with an integrated kitchen, so life flows seamlessly between cooking, dining and enjoying the moment. But the real star is outside. Step onto the private terrace with your morning coffee and let the views take over: the sea ahead, the green of the gardens, the pool reflecting the sun. And when evening falls, sit back and watch the sky turn orange over the Mediterranean — a moment that, here, repeats itself every day and never stops feeling special. Right at the foot of the complex, social life is already sorted: a communal pool for the hot days, a tennis court for the more active, an artificial-turf football pitch, a children's play area, and a barbecue space for summer nights with friends. Well-kept gardens surround every corner. And just 300 metres away, the beach. Surrounded by restaurants, shops and everything you need close at hand, in one of the liveliest areas of the Costa del Sol. To live in year-round, as a holiday retreat, or as a high-yield investment? This property adapts to whatever you're looking for — because here, sun, sea and quality of life aren't a promise. They're everyday life.
