140 m2

This is a attractive town house is located in one of of the most sought after gated complexes in the Cabopino area. This property is distributed over four levels starting with a garage on the lowest level, with two terraces a kitchen and living area and guest toilet on the next level, followed by the bedrooms and bathrooms upstairs with a solarium and private terrace on the top floor. The house enjoys great golf, sea and pool views. The private garage and ample storage area on the lower level have been converted by many other owners in this complex to create an extra bedroom and games room. What we really like about this complex are its well kept gardens and its two large swimming pools and the fact that it is just 7 minutes walk to the beach and Cabopino Port with lots of restaurants. Cabopino is located in East Marbella around 40 minutes from Malaga airport and only 15 minutes drive from the center of Marbella to the west or to Fuengirola to the East.
