A New-Build Apartment with Sea Views A contemporary three-bedroom apartment in Capri by Kronos Homes, in Estepona. 93.76 m² of interior useful space, plus a private terrace of 19.28 m² with sea views. Two bathrooms. An open-plan living-dining room with an open kitchen, laid out for light and everyday Mediterranean living. The real advantage is where it sits in the complex. Block 2 holds the pool and the spa facilities, so you use them without walking across to another building. Residents from the other blocks come to you. The development also has gardens, a gym and a coworking area. Two parking spaces are included in the sale. The images currently shown are computer-generated renders and will soon be replaced with actual photographs of the interior. A finished, contemporary home with the sea in front of the terrace, in a new complex on the Costa del Sol. Viewing highly recommended.
