Excellent opportunity to take over a fully operational and established specialty coffee café in the centre of Marbella, located on Calle Virgen del Pilar, within walking distance of the beachfront, promenade and Marbella's main commercial and residential areas. The business is currently operating as Specialty Coffee and is offered as a turnkey traspaso, including an extensive range of professional equipment, furniture and installations. Established Business The café benefits from an existing customer base, strong online reputation and proven trading history. The premises have an attractive rental level for a central Marbella hospitality business, with a current monthly rent of approximately □1,400.
