Luxury Villa in a Secure Gated Community - Nagüeles, Golden Mile This elegant Balinese-inspired villa is located in the prestigious Marbella Hills Club, one of the most sought-after gated communities on the Golden Mile. A peaceful and private setting, surrounded by mature trees, tropical landscaping, and soft water features, makes this home feel like a true retreat. The design combines Mediterranean comfort with subtle Asian influences, using natural materials, warm tones, and open spaces that connect seamlessly with the outdoors. Large windows and sliding doors fill the house with light and create a constant connection with the gardens and terraces. The outdoor areas are made for enjoying Marbella's lifestyle — a private pool, lush greenery, and several terraces for dining, relaxing, or spending time with family and friends. Available for long-term rental from the beginning of February, the villa offers five spacious bedrooms and seven luxurious bathrooms. It is fully furnished and includes underfloor heating throughout for year-round comfort. Multiple terraces and chill-out areas provide space for both privacy and entertaining. Located within the secure Marbella Hills Club, the property offers 24h security and a quiet residential environment, while being only minutes from Marbella, the Golden Mile, and some of the best private international schools in the area — making it an ideal home for a family. This is a refined, comfortable home in one of Marbella's most exclusive locations, combining privacy, security, and timeless style.
