Freshly furnished, beautifully updated and close enough to Estepona Marina to leave the car at home. This three bedroom apartment in Puerto Blanco is currently being refreshed with brand new contemporary furniture throughout, bringing a warmer, more modern feel to an already bright and spacious home. The new interior will combine soft greys, warm browns, beige and muted gold tones with a subtle Scandinavian influence. New furniture, lighting, beds and crisp white bed linen will give the apartment a fresh, considered finish ready for its next tenant. The property offers 108 m² of living space with three bedrooms, two bathrooms and a private terrace. The bright living and dining area opens directly onto the terrace and will feature a completely refreshed furniture scheme, creating a comfortable modern space for everyday living and entertaining. All three bedrooms are also being updated with new beds, bedside furniture and lighting, while fitted wardrobes provide plenty of practical storage. The apartment is offered fully furnished with air conditioning, private underground parking and lift access. Puerto Blanco is an established residential community with a communal swimming pool and gardens, but one of the biggest advantages here is the location. Estepona Marina, the seafront, restaurants, cafés and everyday amenities are all close by, giving you the convenience of town living without giving up the pool, terrace and private parking. A proper three bedroom home with a fresh new interior in a location that lets you actually enjoy Estepona on foot.
