Some homes are purchased. The rarest are collected. Villa Lily An Extraordinary Residence in Puente Romano Luxury is often spoken about. Rarely is it felt. Hidden within the prestigious surroundings of Puente Romano, Villa Lily is one of those exceptional residences that quietly redefine what luxury living truly means. Beautifully reimagined through remarkable craftsmanship, timeless design and uncompromising attention to detail, it is a home that inspires emotion long before it impresses with its specifications. From the moment you arrive, there is a profound sense of serenity. Every space has been thoughtfully composed to create harmony between architecture, light and nature. Soft Mediterranean sunlight washes across handcrafted stone, warm walnut, sculptural marble and elegant bronze accents, while floor-to-ceiling glazing dissolves the boundary between indoors and out.The home unfolds effortlessly. Elegant reception rooms flow naturally into one another before opening onto beautifully landscaped gardens and tranquil terraces, creating an atmosphere designed as much for quiet mornings as for unforgettable evenings with family and friends. At the centre of the residence lies an exceptional bespoke kitchen—a sculptural masterpiece crafted from exquisite natural marble, complemented by handcrafted cabinetry and a full suite of Gaggenau appliances. It is a space where exceptional design meets everyday living, equally suited to intimate breakfasts or sophisticated entertaining. The principal suite offers a private retreat of remarkable tranquillity. A bespoke dressing room, spa-inspired bathroom and carefully curated finishes evoke the atmosphere of the world's finest boutique hotels, while each guest suite has been designed with the same commitment to comfort, elegance and privacy. Throughout the home, technology remains discreet, enhancing rather than defining the experience. Intelligent KNX home automation, integrated Dynaudio audio, concealed climate control, water-based underfloor heating and carefully orchestrated lighting scenes operate silently in the background, allowing architecture and craftsmanship to remain centre stage. As the sun sets, the rooftop becomes the soul of the residence. A private sky lounge overlooking one of Marbella's most desirable locations, it has been designed for life's most memorable moments. Fire features dance beside tranquil water elements as the final light of day disappears beyond the horizon, creating an atmosphere that feels both intimate and unforgettable. Yet perhaps Villa Lily's greatest luxury is something that cannot be measured. It is found in the craftsmanship. Every detail tells a story of artisanship. Situated moments from Marbella's finest beaches, Michelin-starred restaurants, designer boutiques, exclusive beach clubs and the celebrated lifestyle of Puente Romano, Villa Lily enjoys one of the Mediterranean's most coveted addresses while offering complete privacy and tranquillity. In today's world, true luxury is no longer defined by excess. It is defined by authenticity. By craftsmanship. By timeless architecture. By spaces that enrich everyday life. Villa Lily is not simply a home. It is an expression of art, design and enduring elegance. Property Highlights • Prestigious location within Puente Romano • Beautifully reimagined contemporary Mediterranean residence • Exceptional architectural detailing and bespoke craftsmanship • Elegant open-plan living with seamless indoor-outdoor flow • Designer marble kitchen with premium Gaggenau appliances • Luxurious principal suite with bespoke dressing room and spa-inspired bathroom • Beautiful guest accommodation • Private cinema • Intelligent KNX home automation • Integrated Dynaudio sound system • Water-based underfloor heating • Concealed air conditioning throughout • Landscaped gardens with elegant saltwater swimming pool • Spectacular rooftop sky lounge with fire and water features • Premium natural materials including walnut, marble, bronze and handcrafted stone Some homes are purchased. The rarest are collected. Villa Lily is one of them.
