Rustic house in the area of Cabopino, is a charming property comprising, 7500 sqm of land. Located in a peaceful and natural setting, it offers stunning sea and mountain views, making it a perfect retreat to enjoy serenity. Although it requires refurbishment, its design and layout provide great potential to create the ideal home. The property has a convenient parking area and a barbecue area, and is equipped with a septic tank for efficient waste management. Despite its rural setting, it is located only ten minutes away from all amenities, ensuring convenience and accessibility.
