Marbella **Участок**

7859 m2

An exceptional opportunity to acquire two adjoining plots in Marbella Club II to built 2 luxury villas, positioned at the highest points of the urbanisation. The land, now completely urban and legal, enjoys an extraordinary open outlook: south across the Mediterranean, east and west along the Marbella coastline including Gibraltar, and north towards the mountains and La Concha. The plots are offered together as a single acquisition. Plot 23 measures approximately 3,012 m² and Plot 25 approximately 4,847 m², giving a combined area of approximately 7,859 m². These 2 plots are by far highest and best in the whole of Marbella Hill Club 2, presenting a one off special opportunity that does come around much.
