The villa is between Marbella, Benahavís, and Estepona. Just minutes from Puerto Banús, the villas offer mountain views and fast access to beaches, golf courses, and restaurants. Furthermore, the area combines privacy with convenience. It is located in the beautiful 'Golden Triangle' area of Benahavis, Marbella and Estepona, home to five star hotels and five star golf courses. The traditional whitewashed Spanish town of Benahavís is a lovely 10 minute drive through the gorge and is packed with restaurants, bars, galleries and of course the facilities of small town such as post office, banks, schools and public / private sports. Just 7 minutes to Puerto Banús, 15 minutes traveling East to Marbella and 20 minutes traveling West to Estepona the location offers easy access to some of the Costa del Sol's most popular destinations. Benahavis is also the richest municipality in Andalusia and this ensures that the area is beautifully maintained and why it's a very popular destination for permanent living and second home owners.
