A beautiful country house with panoramic mountain views is for sale, just a few minutes' drive from the centre of Estepona and the beach. Set on a private plot of 5,000 m², the house comprises a basement and a ground floor. The basement is an unfinished space intended for storing tools and agricultural equipment, whilst the ground floor – accessed via a covered porch at ground level – comprises a living room with a fireplace, a kitchen with a breakfast bar opening directly onto the living room, three bedrooms, a small hallway and a bathroom, as well as a spacious covered terrace. The house is built on one part of the plot, whilst another part is planted with various fruit-bearing trees. The plot is rustic in character, but the house is registered with a notary and at the Land Registry.
