Enquire for pricing and availability. Unique 5-bedroom penthouse with arguably the best sea views of all the properties in the Puente Romano area. Following a recent renovation, the penthouse is now the only apartment residence that can accommodate up to 10 guests, with 3 large king bedrooms and 2 bedrooms with 2 twin beds each. All bedrooms are ensuite. The interior of the penthouse has been redesigned by a famous Marbella based Interior Designer, and now enjoys Home Demotics. The space: The lower floor has 4 of the bedrooms, including the master bedroom. Here two of the bedrooms have access to their own personal terraces, which overlook the beach and Mediterranean. Upstairs is the final bedroom, guest toilet, modern open plan kitchen and living room. There are also two large terraces, one of which has seating for dining while looking over the coastline towards Puerto Banús, and the other has comfortable outdoor lounge seating, sun beds, and it's very own private heated swimming pool (heating at additional fee) . Other things to note: The world famous Puerto Banús is an easy 20-30 minute walk along the Paseo Maritimo (seaside walkway), or just a couple of minutes by car.
